

Greggs of Yorkshire

Engineer Manager

c.£42k + Excellent Package

Yorkshire Based

Greggs Plc is the UK's largest bakery related retailer. Based in Bramley - Leeds, the Yorkshire division has circa 140 shops across the Yorkshire, Derbyshire and Humberside areas.

Due to an imminent retirement, we are looking to recruit an Engineering Manager to join the Management Team in Yorkshire and deliver maintenance excellence. You will manage a team of seven and drive continuous improvement initiatives and enhance the overall operational efficiency of the business. You will manage projects up to £100K and proactively identify opportunities to reduce costs.

Educated to degree level (or equivalent) in an appropriate Engineering discipline, you will have a track record of change management in maintenance/engineering and good knowledge of both mechanical and electrical competence. A Food Manufacturing background is desirable and you will have experience of computer based maintenance management systems and a working knowledge of H&S legislation. Strong planning and communication skills and the ability to influence are essential.

A full benefits package awaits the successful candidate. To apply please forward a CV detailing your current remuneration package to Elaine O'Regan, Operational Personnel Manager, Elmfield Way, Bramley, Leeds LS13 4UD.
