

Buyer

£110m T/O Buying Group

Competitive Package

The Company

Bako UK is the leading independent buying group serving the bakery, catering and food service sectors. Based in Preston, it represents, co-ordinates and optimises the interests of 5 regional companies throughout the U.K. Capitalising on the overall buying strength of these companies our role is to deliver best price, innovation and service across a wide range of ingredients and food products.

The Role

To manage a range of commodities to deliver the agreed category strategy ensuring the maximum return for all stakeholders, this will include product development, supplier management and the identification of new opportunities for progressive business growth.

The Candidate

Currently in a buying position with experience in delivering strategies for growth with the food industry. A natural style, excellent communication skills and the ability to negotiate the best deal is of great importance. Strong commercial and negotiating skills are essential.

Please submit a written application, including your C.V and salary details to
